## Guests to be ferried in BMWs

BMW is the ride of choice at this year's Singapore Airshow, scheduled from Feb 19 to 24 at the newly completed Changi Exhibition Centre.

The Bavarian marque and its local agent Performance Motors will supply more than 300 cars to ferry guests and delegates.

The cars used will consist of 320i, 520i - re-introduced here specially for the event - and 730Li.

As with all previous BMW sponsorships, the cars used will be sold to the public at 'special' prices.

This time round, instead of trimming the price tag, Performance Motors has decided to offer higher trade-in amounts to customers.

This so-called overtrade amount will be \$8,800 for the 320i and 520i, and \$10,000 for the 730Li.

If customers do not want this higher trade-in offer for their used vehicles, they can opt to offset the same amount in their monthly instalment payments.
